

Inside MCS America

We have been closely following the research of Dr. Martin Pall, PhD. Pall's book, *Explaining Unexplained Illnesses*, was released in May of this year. The book discusses MCS, CFS, FM, Gulf War Syndrome, PTSD, and related conditions as a new paradigm in medicine.

products”**

Dr. Pall's suggested supplement protocol is now available in four products for individuals to purchase direct without a prescription from Nutricology at <http://www.nutricology.com/>. The cost totals at about \$125 for a one month supply. When visiting Nutricology, one will find the four products:

CoQ-Gamma E with Tocotrienols & Carotenoids
