While they last! Brand new and off-gassed copies of
Defining Chemical Sensitivity
by Bonnye L. Matthews. valued at \$39.95 each
will be sold as part of our MCS Awareness month fundraiser and celebration!

Description

Section One expertly reviews the research and treatment strategies on MCS. In Section Two the author examines the legal recourses available to MCS sufferers, including workers' compensation claims and product liability suits. Section Three discusses and demonstrates how medical opposition to MCS is common, yet unfounded. The editor, an MCS sufferer, details her own case in Section Four.

Bonnye L. Matthews lives in Wasilla, Alaska and developed chemical sensitivity from low-level toxic exposure. She is also the author of *Chemical Sensitivity* (1992).
