We seek to provide information and resources for those suffering with Multiple Chemical Sensitivities and other toxic injury in the United States. This information is for informational purposes and is not intended to replace the examination, diagnosis and treatment of a licensed physician and no such claims are inferred. Neither MCS-America, Lourdes Salvador, nor any members of MCS-America will be responsible for misuse of this information.

We welcome submissions or articles, letters-to-the-editor, poetry, artwork, jokes, cartoons, photos, and whatever else is physically printable. Submissions may be sent to publisher@mcs-america.org. We attempt to publish monthly,

Editors for this issue are:
Lourdes “Sal” Salvador
Deborah Howery
Wanda Finney
